

DENVER, Colorado - On Tuesday (January 29, 2019) the [Institute for Process Excellence](#) (IpX) announced their EIA-649 courses are now eligible for Continuing Education Units through [Purdue University](#). In January 2018, IpX and Purdue University announced a partnership to provide professional education certificate programs to industry clients in the areas of CM2, product lifecycle management (PLM) and model-based definition (MBD).

Beginning January 29, 2019, individuals who complete EIA-649 courses at a public or onsite location are eligible to receive 3.2 units per course. Those interested in receiving Purdue University CEUs through EIA-649 courses should visit www.ipxhq.com to register for EIA-649 public courses or schedule onsite training for your organization by emailing services@ipxhq.com.

About Purdue University

Purdue University, a top public research institution, offers higher education at its highest proven value. Committed to affordability, the university has frozen tuition and most fees at 2012-13 levels. Committed to student success, Purdue is changing the student experience with greater focus on faculty-student interaction and creative use of technology. Committed to pursuing scientific discoveries and engineered solutions, Purdue has streamlined pathways for faculty and student innovators who have a vision for moving the world forward.
